DIAMOND STREET,

TITUSVILLE, PA., SATURDAY. OCTOBER 17, 1868.

The "Pise Forks" of 1888

FOR PRESIDENT,

Titusville Morning Lierald.

GFN. ULYSSES S. GHENT.

are backed by personal friends of the opposite party. I have just seen a letter from Nebraska written by a Copperhead to a friend in this city, in which the writer, in slituding to the approan obegedenous in that State for Governor and member of Congress, says. "The Republic has are coing election in that State for Governor and member to Congress, says." The Republic has been given by the line of Congress, says. "The Republic has been given by the line of Congress, says." The Republic has been dead of the state by over 3 'Mozilia to United State by over 3 'Mozilia and has spending the selection of Saymour and Bittir. It is always liked Grant personally and has speaken well of him ever since their difficulty arising out of the turning over of the Mar Department to stanton by Grant, when the State non-concurred with Mr. Johnson in r moving or sustended the selection of Saymour has been dead to the first from the first which he returns to his home he will find most to the substitute in Tentersac. He knows that which he returns to his home he will find most to the substitute in Tentersac. He knows that which he returns to his home he will find most to the substitute in Tentersac. He knows that which he returns to his home he will find most to the substitute of the return to the work that which he returns to his home he will find most to the substitute of the return to the work that which he returns to his home he will find most to the substitute of the return to the work that which he returns to his home he will find most to the substitute of the return to the work that which he returns to his home he will find most to the substitute of the sub

It is gratifying to see that all over the country trish naturalized clitrons are leaving the coppur head ranks in large numbers and forming them nelves into Republican clubs. This is one of the most hopeful signs of the times. The Frish People, a paper incretofere Democratic, has hold to the publican flag and is doing good service for Grant and Colf z. It is one of the most in fluential papers of its class in New York. A gentleman who has just arrived in Washing ton from the West was on the same trails as

A gentieman who has just arrived in Washing ton from the West was on the same train as "So much the more need Pump" "No I in diagnsted with the whole thing;" "That does not help the matter, it was proposed to take a vote for President. A Republican and a Lemocrat went through the case together, and when the returns were made up they showed that Seymour an i B air hal received they showed that Seymour an i B air hal received they showed that Seymour and B air hal received they showed that Seymour and B air hal received they showed that Seymour and B air hal received they shows was on fire near ours, and we were all in danger. He should looking on "How hadly things are managed," and he worther follows had been should be should b

The election of Grant and Colfax is such a foregone conclusion with mony Republicans that they are directing their efforts, mainly, to ward accurring the election of Republican members of Congress and State filters, and foregone when these ishore promise to be anceasing that these ishore promise to be anceasing that the Republican man; 1y in the Fort; that these ishore promise to be anceasing the Fort; that the Republican man; 1y in the Fort; the foregone when not be in to that in the Fortieth Congress, as that Grant and Colfax be elected. There should be reaung that tooks the foregone when not be in the foregone when the

Feery true friend of man will therefore he over) yed to hear that G is W Julian, of indiana, the early, consistent of able advocate of every measure brought be a Congress for the moral and material benut of the working when southing beyond a doubt it would be not only a missing true, but a national diagrace, hear this gallent solder and able states many report of the true, but an atomal diagrace, hear this gallent solder and able states many report of the true to the dark and the dark would be not controlled to the dark and the dark

derstood that in the next Congress he will vent

other good Republicans who, I see by the papers and learn from private sources, will certainly be re elected.

The frummer boy of the Reppshamock who eloped some time ago with some eviet and a girl, is now a happy tather

From the size York Tribune. It was not exactly felt, and virtually conferred, that the partisans of Seymour and Blair, must tramph in the State declina held yearday or abandon all hopes of success. Every table they have yet made of the pro-able vote for next President of the United States claimed Permayivania, Indiana and Nebraska as extrainty and Ohio probably for Esymour. The most ingenious among them could not make up a list of States expected to rote for Seymour sufficient to elect him without usefuling ail or m w of those above named. They had thus advertised their follow ers that they must carry those States in October

Novel Nuptiels Wedding in a Theatre From the Alta Californian, 18-pt. 7
Magnire's Opera Honse in its palmiest days never contained a greater throng than on last creating. They convened to lister to a pow mand a lecture, and to witness the nup marriet, the lead ing spirit being a lady-and that lady Lanca Cupty. The fairer portion of creation onturns bered the sterner. The first page of the programmae consisted of the esting of a pown on "The Beautiful Land". Next followed an erudite but brief easy on "Redicalism," in which the lords of creation got some hard hits Madama Cuppy invited the audience to remain and witness, if they so desired, the marriage ceremony, which would be performed by herself, she being as teacher in a religious organization, clothed legally and le derstood that in the next Congress he will you to see an derstood that in the next Congress he will you had been buge awindless and derote himself to secaring the passage of such laws as will make them impossible in future.

How fireen B Baum, I see by the Illinois papers, will also be re-elected from the Thirteenth D strict of Illinois. Mr Rum is so one of the standards Republicans in the 40th Congress Among the many elegant and forcible speakers in Longress Mr Raum has on more than one casion proved himself their per. On the question of the Alasks purchase, Mr Rum was dead in the congress of the strict of Illinois to have used the best legal argument in layor of paying for the territory of the trict of the congress of the second the purchased by Mr Boward Mr Raum is not only a Statesman, but a tried from the trict of the congress of the trict of the congress of the trict of the particle relationship to the congress of the trict of the particle of the particle relationship to the particle of the particle o

Tuesday's Elections The New York papers of yesterday in iruing with the exception of that wonderful arithmetiat discoverer, the World, unite in regarding the result of the elections in Pennsylvania, Oh) and Indiana se conclusive of a Espublican victory throughout the Union in November. We copy a few extracts showing the general tone of their

remarks Says the Pricums remerks Says the Irabans
It was universally left, sod virtually counseed, that the partisans of Seymour and Biair must triumph in the State elections beld yesterday or abandon all hopes of souccess. Every table they have yet made of the probable vote of next President by Biates, claimed Pennsylvania, Indians, and Nebraska, as certainly, and Ohio as probably for Seymour. The most inguilous among, them could not make up a list of states expected to vote for Seymour sufficient to elect him without including all or mosts of them showe manned.

The Times comments as follows

Pennsylvania, Ohio and induca yesterday virtually ended the Presidential contest. The Republicans wept all three Bitters and by no eyesterday virtually ended the problems are supposed by his brilliant military achievements. The overtirow of the Democracy is as disease on the entry of the Confederacy is as disease on the quest of the Confederacy it is fortunate for the quest of the country that these October results are so can clusive as to relieve the final trial in November of the printal anxieties and middening excite-The Herald (Ind.) is not less poeities The results of the State elections pesturday learly todicate the election of General Grant as

The results of the State elections yearing clearly indicate the election of theners, Grant as the property of the popular and electral vote of the batton. Fig. Demorate, curren one of the popular curren of the popular current of the popu We status? score guing out ner, is the coallit

of ten raints ute, luttle one we have a sufficient to show that as the of 1864 h berounde the battle of 1868 oe result will table the same.

The Sun (Ind ) says

The bank (Ind.) says

Liquestionably the three at States of Pentis Sylvinit, Ohio and Indiana sylvinit, Ohio and Indiana sylvinit, Ohio and Indiana sylvinit, Ohio and Indiana sylvinits, which from the first named States it is impossible to fix it in myorities, but they are larger than was not it paid even by the Republic not.

Inharcount practically settles the presidential election in fivor of frenit is int. No one with the facts before him, whose opinion is of the slightest weight, can entertain a doubt on the said for the facts.

enty of

With their great contral Blates now throwing leave in public against them, the Democracy will double be control Langillah for a national section. In their local and personal response the section of the

The unhappy World cannot bear to "give it up inguage like the following

Inguage like the following.
The returns which we have record from Pennsylvania, Ohio, and Indiana up to the hour I coing to press are more magness will be more confessed than I may define that we remained within the last eight years. They are accounted that he we desire they are less rivorable than we could have desired less corolle even than which be pet by our times had been of a sweepin out of classic country which would have eit the November contest a matter of more form.
But the returns are not so full—they are not so detries to extrinish in our tably to implet

clear as to esta hish in once tably a complet adverse result. In find the Especial which

note in the off region.

A granty ancedote of Horstie Seymour's early middle days comes to us from Rushford, Allents Solution. The sunt of the lady who tells the tory used to teach school in Pompey, near Synamas, and Herstie, who is described as a "little stagme," was enough her pupils. His place passes the antenne sed of one of the benches, of a was an every day antenneered of his committees to crewd him off, when Rorallo, in great surface, would gather himself ap and liep, "D—n Je on that, on." All the archiers would gigned to the property of the sunty of the property of the sunty MISCELLANEOUS.
